Personal information

- **Name:** Huifeng Jiao
- **Location:** HangZhou Zhejiang, China
- **E-mail:** huffing.jiao18@gmail.com
- **Mobile:** +86 13675883500
- **GPA：** 85.38/ GPE 7.05/A level
- **language:** Band 6 passed, IETL ,to be passed

Interest and research area

- Individul's natural property
- Decentralized Tech, Block Chain
- Complex Systems
- Archi Design
- R&D Management

Education

- MBA / Financial Track(involves quant, data analysis, probability) graduate at 2019
- ZheJiang University(**QS No. 53 in 2021**)
- Information Management (almost Computer Science plus Mathimatics)
- North China University of Technology (NCUT)

Skill

- Relevant research experience on individuals and property
- Basic research capacities: quantitative data analysis, programming, stata, matlab
- **Rich working experience** in team communications, workflow design, system construction, project management, etc
- Strong willingness and **ensusiansm** of science research

Experience

start	end	organization	Work/learning	description
2019-05-25	now	SchoolPal	Director of Tech P9/Senior Expert	As the core partner of the company.
